

## **DAYR AL-TURFAH**

This *dayr* has disappeared. M. Ramzi (1953-1968, Vol. 1, p. 260) situated it in the district of Samalut. *The State of the Provinces* in A.H. 777/A.D. 1375 still mentions it. It is not known on which bank of the [Nile](#) it was, though [Ramzi](#) says that it was situated on the left bank.
